# Making Life Worthwhile

Sertoma members commit their time and resources to make life better for those in their communities and across the nation! You can support those efforts and be part of “Making life worthwhile through Service” as a Sertoma Friend!

## A Friend

A person connected to another by feelings of affection and regard.

## To Others

A person who gives assistance; a patron; a supporter – one who shares a common cause.

**S**ince 1912 Sertoma has developed local leaders who help provide benefits to their communities. As we approach our Second Century of Service, annually Sertoma members provide more than \$40 million in financial support, and 320,000 hours of service. Each Sertoman is a friend to their community and is joined in friendship to their fellow Sertoma members. We can all use a few more friends, and it's easy in Sertoma!

**Sertoma Members and Friends share in efforts to improve the lives of those dealing with hearing loss and related communication issues by sponsoring the largest scholarship program for deaf and hard of hearing students, scholarships for those studying audiology and speech pathology, and support for more than 200 not for profit hearing and speech clinics and school programs.**
