

# SERTOMA PRAYER

Lord, as we Sertomans meet this day,

We bow our heads, to thee we pray.

We ask you bless this food we eat,

Also friends with whom we meet.

Let each of us keep in mind,

Our motto, "Service to Mankind."

Endow all with the heart to give,

To others, better lives may live.

Be with us 'til we meet again,

Bless us, our land, and homes.

Amen
