Join Local, Think National.

Service to Mankind isn't just what we do, it's who we are. For more than a century, Sertomans just like you have made the commitment to meet the needs of communities across the U.S. through service, leadership and philanthropic giving.

When you join your local club, you're connected to more than other members in your community -- you have the power of your national Sertoma family behind you. We are united in:

Our Purpose to meet the needs of communities through volunteer service.

Our Vision to create communities of change under common leadership and with a common voice that will serve the many in need.

Our Mission to improve the quality of life today for those at risk for or impacted by hearing loss through education and support.

More than 50 million Americans are impacted by hearing loss, but through our education and support programs, you can make a difference! Learn how to get started by visiting sertoma.org or calling (816) 333-8300.
